The must-read summary of Ford R. Myers' book: "Get The Job You Want, Even When No One's Hiring: Take Charge of Your Career, Find a Job You Love, and Earn What You Deserve!". This complete summary of the ideas from Ford R. Myers' book "Get The Job You Want, Even When No One's Hiring" shows that you can find a great job, even in an economic downturn; but not if you use conventional job search strategies. Instead, you have to reverse the dynamic. Rather than waiting for a company to advertise your dream job, identify what problems and challenges the company you want to work for is facing at the present time. Your challenge then becomes how you will demonstrate to your potential new employer that hiring you would address these issues successfully. This summary reveals the best strategies to land your dream job while others are sitting on the sidelines waiting for the economy to improve.

Added-value of this summary:

- Save time
- Understand key ideas
- Increase your chances of landing your dream job
