**BusinessNews Publishing : Summary: Planet India: Review and Analysis of Mira Kamdar's Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Summary: Planet India: Review and Analysis of Mira Kamdar's Book:

The must-read summary of Mira Kamdar's book: "Planet India: How the Fastest Growing Democracy is Transforming America and the World"; This complete summary of "Planet India" by Mira Kamdar, a senior

fellows at the World Policy Institute, presents her analysis of India's current situation, in which the country is experiencing explosive growth both demographically and economically, and starting to effect real change on the global landscape. It also addresses the issues India faces at this time, such as combating poverty, disease and terrorism, and navigating international politics to ensure its status as a global power. Kamdar in particular addresses the implications this will have for America. Added-value of this summary: Save time; Understand India's increasing power and standing on a global landscape; Expand your knowledge of international politics and economics. To learn more, read "Planet India" and discover how the world's fastest growing nation is well on the way to becoming a global powerhouse.
