one has already read the other two core books in the series, yet, the framework and model presented in this are both invaluable. 0 of 0 people found the following review helpful. Nice read By WesNice , quick read with a lot of information. It is difficult to tell how well the summary reflects the entire book since I haven't read the original however.

The must-read summary of Robert Kiyosaki and Sharon Lechter's book "Rich Dad's Guide to Investing: What the Rich Invest in That the Poor Middle Class Do Not" This complete summary of the ideas from Robert Kiyosaki and Sharon Lechter's book "Rich Dad's Guide to Investing" explains that the rich position themselves as one of three general types of investors (sophisticated, inside, and ultimate investor) and invest in three different areas 'Education, Experience, and Excessive Cash'. This summary will allow you to identify these types and areas, thus changing your view on investing and allowing you to use your newly acquired knowledge to improve your own circumstances.
