**BusinessNews Publishing : Summary: The Business of Memory: Review and Analysis of Felberbaum and Kranz's Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Summary: The Business of Memory: Review and Analysis of Felberbaum and Kranz's Book:

The must-read summary of Frank Felberbaum and Rachel Kranz's book: "The Business of Memory: Fast-Track Your Career with Supercharged Brainpower". This complete summary of the ideas from Frank Felberbaum and Rachel

Kranz's book "The Business of Memory" shows that everyone has a photographic memory. The problem is that this perfect recall of new information usually only lasts about one-tenth of a second - not long enough to be useful. In their book, the authors present a system that can be used to extend the retention time and increase the amount of information that gets captured. This summary explains how to follow a few simple steps to become better at remembering things and receive huge career benefits. Added-value of this summary: 

- Save time
- Understand key concepts
- Expand your knowledge

 To learn more, read "The Business of Memory" and improve your ability to remember anything you want.
