**Rachel Harrison : TOGAFreg; 9 Certified Study Guide - 3rd Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised TOGAFreg; 9 Certified Study Guide - 3rd Edition:

1 of 1 people found the following review helpful. Good Source For Practical TOGAF By ShawnLove this book!. I followed this one for TOGAF Certification and Passed. The content is well organized and very good source of practical TOGAF rather. On the con side, I found certain things repetitive (when explaining B,D,A,T arch) The viewpoints are not covered in detail and could have been added as one more chapter and organized better to understand from 360 degrees view. I had to rely on web to read viewpoint. What If Scenarios are well explained but, from certification point of view, its scattered across the chapters. You also need to refer TOGAF 1 study guide in some cases. Overall, good book and I am happy owning it.0 of 0 people found the following review helpful. Valuable Prep

Tool for TestBy AncientOneThis is a valuable tool to prep for the test. I diligently read through the book and passed the test. This was self-study, not part of a class, demonstrating real value. More regarding togaf than the study guides, I'd like to see more examples of the material in action. Maybe another book?0 of 0 people found the following review helpful. Good but not great.By CustomerAlthough comprehensive in course coverage, there were no answers provided for the "end of chapter" review questions (kindle edition). These were provided in the "foundation" study guide.

For trainers free additional material of this book is available. This can be found under the "Training Material" tab. Log in with your trainer account to access the material.The TOGAF 9 certification program is a knowledge-based certification program. It has two levels, leading to certification for TOGAF 9 Foundation and TOGAF 9 Certified, respectively. The purpose of certification to TOGAF 9 Certified is to provide validation that, in addition to the knowledge and comprehension of TOGAF 9 Foundation level, the Candidate is able to analyze and apply this knowledge. The learning objectives at this level therefore focus on application and analysis in addition to knowledge and comprehension.This Study Guide supports students in preparation for the TOGAF 9 Part 2 Examination, leading to TOGAF 9 Certified.This third edition contains minor updates to remove references to the TOGAF 8-9 Advanced Bridge Examination1 and also adds four bonus practice examination questions to Appendix B.It gives an overview of every learning objective for the TOGAF 9 Certified Syllabus beyond the Foundation level.
