Anthony Schneider : Tony Soprano on Management: Leadership Lessons Inspired By America's Favorite Mobst before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tony Soprano on Management: Leadership Lessons Inspired By America's Favorite Mobst:

0 of 0 people found the following review helpful. Great advice, not a great comparison to Tony Soprano By Robert Kirk All of the advice about leadership is solid, useful and can be implemented quickly but then the book wouldn't be that interesting right? The author took some pretty good stretches of the imagination to use Tony as a good example of leadership but the whole package of the book is nice because the leadership messages are very solid. I would say this is a great book for a beginner in the leadership/management field and if you are a manager in a "blue collar" industry this book might be right down your alley. In summary, a quick read to help you develop your basic leadership skills

and who can't stand to improve right? 0 of 0 people found the following review helpful. Don't buy it. By Jimbo Jameson It feels like the guy wrote this in about 2 hours. General business advice with Sopranos references tacked on. 0 of 0 people found the following review helpful. Once again technology requirement a failure no direct download. ... By James Richardson Once again technology requirement a failure no direct download. A shame because the purchase should cover the rights to maintain a copy.

How's your organization doing? Economic uncertainty. Employee loyalty. Power struggles. Conflict resolution. Tony Soprano has to deal with management problems just like any CEO. Aside from "whacking" people (a definite no-no in most corporate environments), his strategies and tactics can work for you. Learn what makes him such an effective leader in this offbeat leadership guide, including advice you can use on: Sit-downs, stand-ups, and other meetings; Behind the Bada Bing!: making decisions; Hey, break it up: resolving conflict; Deal Time: effective negotiation; Cigar Time: praise and feedback; and more. With case studies, worksheets, tips on delegating and managing up, and a special chapter on what Tony does wrong; this is a business book like none you've ever read. Use it to gain new insight, and find street-smart ways to manage your own workplace family.

Funny, wise and well-written... readers will learn to lead smarter, manage faster, delegate better, and turn vision into value. -- Lewis S. Ranieri, Chairman, Hyperion Partners, Former Vice Chairman, Salomon Brothers Smart, funny and relevant... will help you be a better manager, run a more effective company, and make more money. -- Julie Stav, Author of GET YOUR SHARE and FUND YOUR FUTURE TONY SOPRANO ON MANAGEMENT is really a great business education. -- Tim Zagat About the Author Anthony Schneider is a nationally recognized marketing consultant and leadership coach.
