This definitive guide to the top Australian listed companies presents all the key information in an easy-to-read format, giving any share buyer, regardless of their experience, the chance to build a successful stock portfolio. Now following the half-yearly company reporting season, Martin reviews the stocks that appeared in *Top Stocks 2013* and provides updated commentary and data as to how these companies are faring. Additionally Roth provides an overview of how the financial year is tracking and looks ahead to 2013-2014 and the trends that are likely to shape the sharemarket. *Top Stocks 2013* and *Top Stocks 2013 Half-Yearly Update* cut through the noise and hype to assess every company on the same criteria, with a focus on profitability, debt levels, and dividends.
