Filled with real-world case studies and examples of ethical dilemmas, Understanding Business Ethics, Third Edition prepares students and managers alike to make ethical decisions in today's complex, global environment. Bestselling authors Peter A. Stanwick and Sarah D. Stanwick explain the fundamental importance of ethical leadership, decision making, and strategic planning while examining emerging trends in business ethics such as the developing world, human rights, environmental sustainability, and technology. In addition to presenting information related to the Association to Advance Collegiate Schools of Business (AACSB), the text's 26 real-world cases profile a variety of industries, countries, and ethical issues in a way that is relevant and meaningful to students' lives. The Third Edition features new cases from well-known companies such as Disney and General Motors, new

coverage of emerging topics such as big data and social media, expanded coverage of corporate social responsibility, and more. Using an applied approach, this text helps students understand why and how business ethics really do matter!

"Looking for a deeply reflected and applicable textbook for in-class use in business ethics? Here it is. The best textbook I've ever found is the Stanwicks' masterpiece. Your students will love it."--Volker Brecht "Great textbook, with relevant cases from the real world."--Biruk Alemayehu "Excellent book with proper framing and interesting analyzes in various areas/fields, with special emphasis on practical cases."--Alberto Costa "Looking for a deeply reflected and applicable textbook for in-class use in business ethics? Here it is. The best textbook I've ever found is the Stanwicks' masterpiece. Your students will love it." (Volker Brecht) "Great textbook, with relevant cases from the real world." (Biruk Alemayehu) "Excellent book with proper framing and interesting analyzes in various areas/fields, with special emphasis on practical cases." (Alberto Costa)
