From Palgrave Macmillan : Understanding Investment Funds: Insights from Performance and Risk Analysis before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Investment Funds: Insights from Performance and Risk Analysis:

In light of recent financial crises, the role of investment funds is a recurring subject for discussion. Traditional methods must be adapted with the objective to strengthen scientific knowledge of investment funds. This book provides new insights, ideas and empirical evidence to improve tools and methods for fund performance analysis.
