I like this style of presentation a lot, as I am a very visual learner (and teacher). This makes the numbers come alive for me, as shown in charts as well as numbers (familiar from financial publications). It is Bloomberg-centric, as seen in various screen shots from demonstrations, but the knowledge is readily applied anywhere. 0 of 0 people found the following review helpful. Information for Financial Success! By HiD-r2 Whether one is an investor or just a saver, all decisions are affected by activity in the financial markets; the information provided in Visual Guide to Financial Markets helps make sense of those external forces that impact our lives and livelihoods. Visual Guide to Financial Markets by David Wilson is a wonderful source of information because it provides clear, understandable information on why different investment choices produce different results. It may make listening, watching, and/or reading the financial news more interesting! An informed investor is the best investor. Investment choices in a self-directed pension, annuity, or simply choosing between a Certificate of Deposit, statement savings, or checking account can be overwhelming when trying to process and make sense of the information provided. The idea of needing an investment advisor or other professional to help navigate the choices may be intimidating. Visual Guide to Financial Markets provides information regarding the relationship of the many choices in investments and relevance of one over another based on risk, reward, and relative value in an easy-to-read format and easy-to-understand terminology. Definitions and examples reinforce the information throughout the book. In Visual Guide to Financial Markets, David Wilson provides a wealth of information in clear, concise terminology and lays it out in an easy-to-read, easy-to-refer-back-to format making this a perfect gift for anyone, young or old. Readers should feel more confident when listening to, reading, or discussing market activity. Buy it today for yourself, or anyone you wish to see succeed financially!
