Chellie Spiller, Hoturoa Barclay-Kerr, John Panoho : Wayfinding Leadership: Ground-breaking Wisdom for Developing Leaders before purchasing it in order to gage whether or not it would be worth my time, and all praised Wayfinding Leadership: Ground-breaking Wisdom for Developing Leaders:

0 of 0 people found the following review helpful. Great insightBy LisaExcellent tips for everyone!

This book presents a new way of leading by looking to traditional waka navigators or wayfinders for the skills and

behaviours needed in modern leaders. It takes readers on a journey into wayfinding and leading, discussing principles of wayfinding philosophy, giving examples of how these have been applied in businesses and communities, and providing action points for readers to practise and reflect on the skills they are learning.
