**Lesley-Anne Scorgie : Well-Heeled: The Smart Girl's Guide to Getting Rich** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Well-Heeled: The Smart Girl's Guide to Getting Rich:

1 of 1 people found the following review helpful. Excellent tips, solid adviceBy leECBExcellent tips, solid advice. However, a little heavy-handed with emphasizing how much all women crave shoes while illustrating financial examples. Yes, we ladies love shoes, however we are reading this book to handle our finances. Reminding us of shoes just triggers the issue at hand.0 of 1 people found the following review helpful. The best! I Immediately went on-line and sent copies to ...By BoomerbroadcasterThe best! I Immediately went on-line and sent copies to friends' daughters.

Too many young people are ruining their futures with short-sighted consumer debt. This book shows young women (and men, for that matter) how to get started on the right foot financially or get back on track if they fall off the rails. I blogged a longer piece about it on [www.boomerbroadcast.net](http://www.boomerbroadcast.net).

Drawing on her own personal experience, financial analyst and public speaker Lesley-Anne Scorgie lays out the roadmap for young women seeking financial independence. This book focuses on giving women the tools, confidence and self-assurance they need to be financially independent, debt-free and resourceful.
