Robert A. Levine : Western Europe: 1979-2009: A View from the United States before purchasing it in order to gauge whether or not it would be worth my time, and all praised Western Europe: 1979-2009: A View from the United States:

As the start of the European Monetary Union (EMU) approaches, Western Europe may be heading for troubles that

could extend to the United States. The problem lies in the West European political economy.
